

The Pledge Of Independence

Under No Circumstances Will I Ever Again Vote For Either A Republican Or A Democrat

Just because the Democratic Party has tied its wagon to a fundamentally corrupt health care bill, based on a secret deal made long ago by President Obama personally to kill off any prospect of a public option of any kind, that does NOT mean that the EQUALLY corrupt Republicans deserve our votes either.

Therefore, we the actual people of the United States of America do solemnly declare that never again will we cast our votes in any election for any candidate associated with either of those two parties, but will instead support with our lives, our fortunes, and our sacred honor, ONLY independent candidates who have proven their worthiness over a lifetime of public policy activism on behalf of their fellow citizens.
