

No later than May 30th, 2014, the entire CA State Senate must vote on SB1272, to put this critical Voter Instruction Measure, the Overturn Citizens United Act, on the next general election ballot.

We, the people of California, call on all members of the CA Senate, and the CA Assembly in succession, to stand with the overwhelming majority of the citizens of the State of California in expressing their support of a federal constitutional amendment to correct for the wayward Supreme Court decisions turning our elections over to big money special interests.

Whatever the nominal cost of speaking out in this way, it is quite small compared with the importance of demonstrating the leadership to move decisively to fix this now.
